# Final Project Presentations Sign Up

- ▶ Everything I'm about to say, plus more details will be in a Canvas announcement Wednesday
- ▶ Using Canvas to schedule final presentation slots
- ▶ **Friday 9 am** slots will open for **one** of the group members sign up on behalf of the entire group
- ▶ **All** group members must attend the entire class that they signed up for
- ▶ Any group member who is not present will receive 0 for the presentation
- ▶ In case you need to reschedule and all slots are taken, we will release a Google Spreadsheet so students can contact each other to switch slots

## Problem Set 6

- ▶ Solo problem set
- ▶ Released yesterday, due in 2 weeks
- ▶ After today, you should be able to do up to App 1 #4 (data exploration, creating a graph outside of Shiny first)
- ▶ By end of next lecture, you should be able to do up to App 3 #3
