## Problem set 5 questions/hints

- ▶ Like in PS4, you can work on PS5 solo
- ▶ Late tokens for paired problem sets: we require *two late tokens* for paired problem set
  - ▶ Can have 1 token from each partner
  - ▶ Or, if you have a generous partner, two from one partner
- ▶ Hints
  - ▶ Canvas announcement: your crawler should not run for more than 10 minutes. If it is, debug with print statements
  - ▶ See endorsed hint on Ed (thanks to Ralph!): “Hint when retrieving tags with class attributes”
- ▶ Recall we drop your lowest problem set score

# Lab

- ▶ You can go to any other section's lab for TA/faculty office hours
- ▶ If you want to go to the Wednesday labs: come after the first 10 minutes to avoid the quiz
